13. RECONSIDERATION OF SUBDIVISION ORDINANCE AMENDMENTS

Attached herewith please find a revised draft of the proposed amendments to Chapter 14 of the Southampton County Code, the Subdivision Ordinance. You may recall conducting your public hearing on this matter in October 2008 after which you referred it back to the Planning Commission for additional review and comment.

The Planning Commission worked on the amendments at its November and December 2008 sessions, making several revisions in response to comments received at the public hearing.

Mr. Randolph will provide additional comments at Monday's meeting, specifically discussing the changes that the Planning Commission now recommends.

MOTION REQUIRED: **If the Board is so inclined, a motion is required to accept the Planning Commission recommendation and approve the amendments to Chapter 14 of the Southampton County Code.**
