Lonnie,
As we discussed, I just wanted to confirm that I've got you on our Board of Supervisors meeting agenda for Monday evening, May 24, at 6:00 p.m. We look forward to an update on the vacant ANR and 4-H positions in Southampton and Isle of Wight. I should share with you that one of the budgetary reductions we've incorporated into our FY 11 budget was a plan to keep these positions vacant through the end of the first quarter – so the earliest we'd be in a position to bring the agents on Board is October 1, 2010. I have not shared with the Board your plans to temporarily relocate an agent from the Research Station to Courtland to maintain a presence here in the interim – I'm sure they'll be delighted to hear that.

Best regards,
Mike
