

7. APPOINTMENTS

A. INDUSTRIAL DEVELOPMENT AUTHORITY

On December 31, the terms of two members of our Industrial Development Authority will expire:

- 1) Mr. V. S. Pittman, II (originally representing the **Capron District**, but now residing in the Boykins District following the last redistricting);
- 2) Mr. Ben S. Lee (representing the **Drewryville District**).

While there's no statutory requirement that each election district be represented, it has been traditional and customary for the most part. Both of these men have been active members and are eligible for reappointment.

ACTION REQUIRED: Supervisor(s) Phillips and Jones should be prepared to make recommendations regarding these appointments no later than the December 16 meeting.
