

**9. CAPITAL FUNDING REQUEST
SEDLEY VOLUNTEER FIRE DEPARTMENT**

Attached for your reference, please find a capital funding request from the Sedley Volunteer Fire Department to make a payment on Engine 81, a 2008 Pierce Engine.

Capital funding in specified amounts has been set aside annually for each fire department and rescue squad since FY 2000. These funds are held in escrow until a request to draw them down is approved by the Board of Supervisors. Escrowed funds continue to accrue for each department/squad if they are not drawn down on an annual basis.

The attached table indicates the status of capital appropriations since FY 2000. As you can see, we are holding \$14,000 (FY 2013) in escrow for the Sedley Volunteer Fire Department.

To date, we've collectively appropriated \$1,647,500 for fire and rescue improvements and are holding \$357,500 in escrow.

MOTION REQUIRED:

A motion is required to approve the capital funding request for Sedley Volunteer Fire Department in the amount of \$14,000.

SEDLEY VOLUNTEER FIRE DEPARTMENT

August 9, 2012

Mr. Michael W. Johnson
Southampton County Administrator
P.O. Box 400
Courtland, VA 23837

Dear Mr. Johnson,

Sedley Volunteer Fire Department's Engine 81 is a recently purchased 2008 Pierce Fire Truck, which serves our first run area in the event of a structure fire.

At this time, the department owes approximately \$33,000 on this unit. We would now like to request our capital improvement funding to assist us with this debt.

Sincerely,

Bruce B. Carr
Assistant Fire Chief
