October 16, 2012

Dear Mr. Johnson:

On October 8, 2012, Terry Patterson resigned from his position in Isle of Wight as Extension Agent for 4-H Youth Development. After speaking with my District Director, Lonnie Johnson, we would like to seek approval from the Board of Supervisors to rehire for this position. This would continue to be a shared position with Southampton County, with funding split between Virginia Cooperative Extension, Isle of Wight County, and Southampton County. No changes are anticipated for the current fiscal year's budget, which was approved by the Board of Supervisors earlier in the year.

4-H is a highly valuable youth program that teaches many core values in our youth, as well as valuable life skills. I hope you and the Board of Supervisors remain supportive of this program.

Sincerely,

Neil Clark
Extension Agent, Agriculture, Forestry, Natural Resources, and Southampton Unit Coordinator
