Dear Mr. Johnson:

The Commonwealth Transportation Board will conduct a public hearing in our area to give citizens the opportunity to review and provide comments on projects and programs to be included in the Fiscal Year 2013-2018 Six-Year Improvement Program (FY13-18 SYIP), including highway, rail and public transportation initiatives.

These projects and programs represent important improvements to address safety, congestion and preservation of Virginia's transportation network. It is important that we hear from you and your constituents about those projects you feel are the highest priority for the state's limited transportation funds.

The public hearing for citizens in our region will start at 6:00 PM on Monday, May 7th, at the Hampton Roads Planning District Commission, located at 723 Woodlake Drive in Chesapeake. Written comments may also be submitted during the hearing, or they may be mailed or E-mailed afterwards.

I encourage you to attend the public hearing in our region, or one of the other hearings listed on the enclosure if it is more convenient for you. If you cannot attend the briefing or hearing, you may send your comments to Programming Director at 1401 E. Broad Street, Richmond, VA 23219 or E-mail them to Six-YearProgram@vdot.virginia.gov.

I truly appreciate your attendance at this session. If you have any questions prior to the meeting, please contact Adam Jack, District Preliminary Engineering Manager, at (757) 925-2415 or via E-mail at Adam.Jack@VDOT.Virginia.gov.

Sincerely,
