RE: Solid Waste Planning Region and Agency Designation

Dear Mr. Paylor:

The County of Southampton hereby requests pursuant to recent action on November 28, 2011 by the County Board of Supervisors and in accordance with the Virginia Solid Waste Planning Regulations (9 VAC 20-130-10, et. seq.) the Department of Environmental Quality to designate a solid waste planning region and agency for Southeastern Virginia.

The following designations are requested:

1. The portion of the area of the Hampton Roads Planning District Commission, comprising the original boundaries of the Southeastern Virginia Planning District Commission, should be designated as the Regional Solid Waste Planning Region. This area includes the:
 - a. Cities of Chesapeake, Franklin, Norfolk, Portsmouth, Suffolk, and Virginia Beach
 - b. Counties of Isle of Wight and Southampton
 - c. Towns of Boykins, Branchville, Capron, Courtland, Ivor, Newsoms, Smithfield, and Windsor
2. The Hampton Roads Planning District Commission should be designated as the Regional Solid Waste Planning Agency for the designated region.

The localities in the region have a long history of cooperative regional solid waste planning and management. On behalf of the localities, the Hampton Roads Planning District Commission has completed the regional solid waste management plan to address local needs and regulations. The HRPDC had previously completed the regional plan in 1991, and, under contract to the Southeastern Public Service Authority of Virginia (SPSA), in 2005.

The County of Southampton concurs with the action taken by the Boards of the HRPDC and SPSA in March 2010 and the Regional Solid Waste Management Plan for Southeastern Virginia, adopted by two agencies in September 2011 that the above designations be made to replace action taken by the Department of Environmental Quality in 2004.

Sincerely,

Jon M. Mendenhall
Assistant County Administrator

RE: Capital Improvement Funding

Dear Assistant Chief Carr:

Enclosed herewith please find remittance in the sum of fourteen thousand dollars (\$14,000.00) which represents your department's allocable share of capital funding set aside by the Board of Supervisors for fire and rescue in FY 2012.

Your request was approved by the Board of Supervisors in regular session on November 28, 2011. I trust all continues to go well with Engine 81; it's a credit to your department and a tremendous asset to the Sedley community.

On behalf of the Board of Supervisors, please accept my sincere appreciation for all the time and effort your volunteer firefighters contribute.

With kind personal regards, I remain

Very truly yours,
