

11. AGREEMENT ASSOCIATED WITH DISPLAY OF COURT RECORDS

Last month, at Mr. Francis's request, you deferred action on a proposed 3-party agreement between the Brantley Association of America, Southampton County, and FamilyLink.com to collaborate so that internet users may access more than 50,000 Southampton County Court records that have recently been converted to digital format by the Brantley Association of America. The records included Court Order Books, Marriage Records, Minute Books, etc. from 1749 through 1880.

Mr. Railey is making revisions to the draft agreement, but does not expect them to be completed in time to distribute in advance of Monday night's meeting. We will provide copies on Monday night and Mr. Railey will provide you an overview of the revisions that he has incorporated.

MOTION REQUIRED:

If the Board is so inclined, a motion will be required authorizing the execution of the proposed agreement.
