Dear Gentlemen & Lady Letts,
I wish to speak on tax (real estate & personal properties) in regard to how it is sometimes mishandled by some of the employees.

I need 10 minutes if possible or otherwise 5 minutes to speak on behalf of myself and others in this Southampton County.

I've spoke on many occasions already and seemingly do cannot get any concrete answers.

How come ~~the~~ Tidewater News stop recording the speeches anytime? She went to find needlessly don't understand all the questions and answers. I do not ^{think} have a choice of a citizen of USA to respond as one want to do at any given time.

Is this a Buddy, Buddy system?
Thanks.
Remain,
Barbara E. Story
