

**8. FIRST READING
SOUTHAMPTON COUNTY ENTERPRISE ZONE
ORDINANCE**

Attached for your reference please find a draft ordinance which formally establishes the purpose, boundaries, and local incentives associated with the state designated enterprise zone.

There is nothing in the ordinance that you haven't already approved – it simply confirms what's already been done and packages it all in one document.

As with any ordinance, a public hearing is required before the Board may act.

MOTION REQUIRED:

A motion is required to advertise the attached ordinance for public comment at your August 22 meeting.
