

11. RESOLUTION TO CREATE LIENS TO SECURE EXPENSES ASSOCIATED WITH ENFORCEMENT OF SEC. 10-48 OF THE SOUTHAMPTON COUNTY CODE

Attached for your consideration, please find a resolution prepared by Mr. Railey which effectively asserts a lien on two (2) parcels of property which have been the subject of enforcement actions by Mr. Barnett for violations of Section 10-48 of the Southampton County Code (Weeds, Grass and Unhealthy Growth).

Whereas, after due notice, the owners failed to cut the grass (which exceeded a height of 12 inches), Southampton County contracted to have the work performed, the cost of which is now chargeable to the owners of the property.

The aggregate sum of costs for both properties is \$100.00 (\$50 each).

MOTION REQUIRED: A motion is required to adopt the attached resolution.
