

**8. STREETLIGHT REQUEST
FORKS OF THE RIVER ROAD**

Mr. Randolph received a recent request to evaluate Forks of the River Road to see if it qualified for streetlighting under your adopted policy. He has visited the site and verified the existing residences. Based on your policy, Mr. Randolph has determined that two new streetlights are warranted — one at the intersection of Forks of the River Road and Smiths Ferry Road (Rt. 258) and the other approximately 800' south between 32223 and 32233 Forks of the River Road.

A sketch is attached to illustrate the proposed locations as well as a copy of your adopted streetlighting policy.

MOTION REQUIRED

If the Board is so inclined, a motion is required to authorize installation of the streetlights.
