

5. APPOINTMENTS**A. SOUTH CENTRE CORRIDORS RESOURCE CONSERVATION AND DEVELOPMENT COUNCIL**

I've recently been contacted by the South Centre Corridors Resource Conservation and Development Council regarding the appointment of our two county representatives, Mr. M.L. Everett, Jr. and Mr. Walter L. Young, III. Both of their respective terms expired in 2009. It is my understanding that Mr. Everett has expressed interest in reappointment, but that Mr. Young prefers to step down at this time.

MOTION REQUIRED: A motion is required to reappoint Mr. M.L. Everett, Jr. to the South Centre Corridors RC&D Council for a 3-year term beginning on January 1, 2010.

In addition, the Chairman should seek volunteers to identify and nominate a successor for Mr. Young. Ideal candidates for the Council are those individuals with a strong interest in making our community a better place to live by developing programs that encourage prudent land use, and sound management and conservation of natural resources.

The RC & D Council meets 6 times annually, usually at 6:30 p.m., at meeting locations throughout the region. Scheduled upcoming meetings include:

March 31, 2010
May 27, 2010

Dinwiddie County
Southampton County

B. SOCIAL SERVICES STUDY PANEL

We are seeking a Board Member to join the Preliminary Study Panel that will evaluate potential benefits and liabilities of unifying the Department(s) of Social Services in Franklin and Southampton County. The Committee will include me, Mrs. Fleming, a member of the City Council, a member of the Board of Supervisors, a member of the Southampton DSS Administrative Board, the Directors of the Franklin and Southampton Departments, the acting Director of Southampton DSS and Regional Director and Regional Administrative Manager of DSS. At this time, I'm unsure how many meetings this will involve, but I anticipate that it will be very active over the next couple of months.

MOTION REQUIRED: A motion is required to appoint a Board member to the Study Panel.
