NOTICE OF VIOLATION

SUBJECT: SOUTHAMPTON COUNTY
Water - Kingsdale-Moseley
PWSID # 3175461

Ms. Shanda Harper
Aura, Inc.
137 Kenmore Street
Suffolk, VA 23434

Re: Failure to Collect Required Bacteriological Samples

Dear Ms. Harper:

This notice is to advise that you may be in violation of §12 VAC 5-590-370 of the Commonwealth of Virginia *Waterworks Regulations* for failure to complete required monitoring of the bacteriological quality of water your waterworks serves to consumers. The *Regulations* require your system to collect one routine water sample for bacteriological examination each month and report the results of the test to this office no later than the 10th day of the following month. According to our records no bacteriological sample was collected, analyzed or reported for the month of November 2008.

Required Actions

Public Notice: The *Waterworks Regulations* characterizes this as a situation that requires Tier 3 public notification. According to § 12 VAC 5-590-540, you are required to notify consumers that the prescribed monitoring was not performed, as follows:

- You must provide notice to consumers no later than one year following receipt of this notice.
- Your notice to customers must be mailed or directly delivered to each customer receiving a bill, and to other service connections served by your waterworks.
- If your waterworks serves consumers who do not pay water bills, or do not have service connection addresses (apartment dwellers, university students, or nursing home patients, for example), you must also use other delivery methods to provide notice to these consumers as well. Examples of other methods include (but are not limited to) publication in local newspapers, delivery of multiple copies to apartment buildings, or posting the notice in public places served by the system.

Southampton County
Mr. Mike Johnson
PO Box 400
Courtland, VA 23837

Dear Mr. Johnson:

The enclosed report contains a list of all changes to the Secondary and Primary Systems of State Highways in your county approved by the Director of the Maintenance Division in December of 2008. All changes to the State Highway Systems, with the exceptions of discontinuances from the Secondary System and changes to the Primary System, are immediately effective the day they are approved by Mr. Robert Prezioso, Acting Director of the Maintenance Division. These effective dates appear in the far right column of the report.

Please direct this report to county personnel involved with land development activities that need the attached information to approve the release of county subdivision street bonds and update county government records.

If you have any questions or comments about this report, please call Martin Law in Maintenance Division (804-786-0795).

OTHER TERMS: Prices (excluding PPV, VOD, installation and unreturned equipment) are per month unless noted otherwise. All services may not be available in all areas. Unless specified on this rate card, additional installation services are generally billed using the Hourly Service Charge in 1/4 hour increments. All rates and services are subject to change. Charter Communications reserves the right to institute different rates/or terms and conditions of service for promotional purposes.

IMPORTANT CUSTOMER INFO: Customers are not required to subscribe to any tier of service, other than the basic service tier. In order to purchase premium channels, PPV or VOD. The programs, packages, services, number of channels, content, format, rates and other aspects of Charter Communications' offerings are subject to change or discontinuance at any time in accordance with applicable law.

WIRE PROTECTION PLAN: Charter's Wire Maintenance Plan is offered to customers for a low monthly rate. It covers repair of the customer's inside communications wires inside the home. This optional plan applies to most inside wiring problems associated with cable and telephone wires. Charter does not service television sets, or any other equipment (such as VCRs, home antennas, or other cable compatible equipment) not owned by us as part of this plan, even if it is attached to the cable or to the cable equipment. Certain other limitations may apply to the plan. Please call 1-888-GET CHARTER for more information about the Wire Maintenance Plan.

All services may not be available in all areas.

Dear Mr. ~~Johnson~~:

Mikey,

Please be advised that the Isle of Wight County Board of Supervisors, at its meeting of January 8, 2009 elected James B. Brown, Jr. as Chairman of the Board for 2009. Chairman Brown's mailing address is 724 Main Street, Smithfield, Virginia 23430.

Supervisor Phillip A. Bradshaw was elected as Vice-Chairman of the Board for 2009.

Should you require any additional information in this regard, please give me a call.

Sincerely,

W. Douglas Caskey
County Administrator

Subject: RE: Regional Cooperation

Thanks, Doug. I'll put this on our 1/26 meeting agenda for the Chairman to make the committee assignments – if we want to go ahead and set a date prior to that, we can. As we discussed, I'll be pleased to invite the Timmons Group down for the initial meeting to discuss our WWTP project and its capability for future expansion.

Best regards,
mj

Subject: Regional Cooperation

June/Mike, Happy New Year to you both! As part of its most recent meeting, the Isle of Wight Board of Supervisors adopted separate motions related to regional cooperative efforts. The Board unanimously agreed to revitalize the former Economic Development Committee and appointed Supervisors Bradshaw and Wright, along with myself and appropriate staff, to meet jointly with your respective jurisdictions to work in partnership on economic development opportunities and issues mutually beneficial to our localities. I intend to more formally communicate this with you in writing, but wanted to relay our Board's interest. Our intent would be to convene a meeting of the Committee as soon as reasonably possible. Separately, the Board of Supervisors adopted a motion requesting that a follow-up meeting be convened among our localities for the purpose of continuing discussions on the feasibility of a regional airport authority. Please recall we last met on this issue back in July. Also, the Board has directed that Supervisors Bradshaw, Wright and staff meet with the City of Franklin and Southampton County to discuss the feasibility of a regional sewage treatment system, as well as cooperative solutions to solid waste disposal issues related to the situation with SPSA. Please consider these actions moving forward through the new year as opportunities for ongoing cooperation and partnership and I will be discussing each item with you in greater detail. Doug

RE: Parcel Zoning

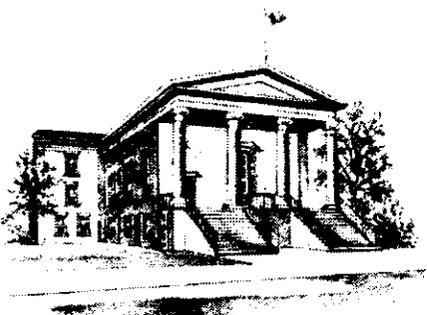

Some of you may remember that during the last General Re-assessment, as a member of the Board of Equalization, I asked the assessors about Zoning, and how it affected some of their valuations. I was disappointed by their reply, which essentially said that they did not know the zoning of most of the parcels they appraised, because it was not on the tax card worksheet. I hope by now (or soon) that this situation has been rectified. I also hope that the zoning classification of each parcel is correctly stated on the card, as a guide for the next assessors.

That wish reminds me that the BOE made a few assessment changes based on the fact that the property owners stated that they did not know their properties were zoned R-1, and that they were going to take steps to down zone back to A-1 or A-2. A couple of parcels come to mind immediately; Parcel 77-63 and Parcel 47A1-1-60. We discussed the situation with John Robert Harrup, and he assured us that the property owners were (or had already) filled out the necessary applications to down zone. After the BOE's term was over, John Robert assured me that several property owners were going to get together and submit a blanket application, in order to lower the application fee.

If the GIS data are correct as shown on 01/05/2009, those properties (and perhaps others) are still shown as being R-1. Are they taxed as R-1? If not, then I am afraid we (the BOE) lowered their assessments to agricultural rates, based on incorrect or disingenuous information.

I encourage the proper officials to ensure that these properties (and others, if there are any) are properly zoned and assessed at the correct rate depending on their zoning. As you know, Legally Permissible (zoning) is one of the four criteria of Highest and Best Use, which affects both use and value.

Ash

RE: Resolution in support of East Coast Ethanol, LLC

Dear Mr. Johnson:

On behalf of the Northampton County Board of Commissioners, we sincerely appreciate Southampton County Board of Supervisors joint support with Northampton County for East Coast Ethanol, LLC's proposed plans to build a facility here in Northampton County. Such a facility will certainly be a tremendous benefit not only for Northampton County and our local farmers but also surrounding counties and farmers as well.

Again, I thank you for your support for this project and please feel free in contacting me direct at 252-534-2501 for a status update of the project.

Sincerely;

Wayne Jenkins
Northampton County Manager

Mr. Michael W. Johnson
Administrator
Southampton County
P.O. Box 400
Courtland, VA 23837

Dear Mr. Johnson:

Senior Services of Southeastern Virginia intends to increase its transportation capacity for people sixty years of age and older and individuals with disabilities in Chesapeake, Franklin, Isle of Wight County, Norfolk, Portsmouth, Southampton County, Suffolk and Virginia Beach. The purpose is to provide additional trips to and from medical appointments and increase the capacity for trips to and from community integration and socialization activities.

Funds are being requested from the Commonwealth of Virginia to purchase two (2) 5-passenger minivans with ramps and two (2) 15-passenger body-on-Chassis with wheelchair lifts through the FTA Section 5310 Program. The Commonwealth of Virginia's policy states that where possible, recipients should coordinate with other local providers who provide transportation services to enhance resource-sharing opportunities.

We invite you to comment on the proposed services. We are particularly interested in exploring new opportunities to work with you to coordinate services, share resources, or pursue other activities that will mutually benefit our transportation programs. If you are interested in exploring this further, please notify us at Senior Services of Southeastern Virginia, 5 Interstate Corporate Center, 6350 Center Drive, Norfolk, Virginia 23502.

If you have any questions, please feel free to call me.

Sincerely,

A handwritten signature in cursive script that reads 'Cynthia S. Creede'.
