

10. PRESENTATION OF PROPOSED CHEROENHAKA MUSEUM AND CATTASHOWROCK TOWN

Supervisor Brown requested a few moments on your agenda to provide an update and briefing on the Cheroenhaka "Nottoway" Tribal Heritage Foundation's plans to develop the site they acquired last year on Old Bridge Road.

The Foundation has master-planned the site to include a Tribal Educational Center and Museum, a replica of a 1580's Iroquoian village, powwow grounds and a system of trails that will showcase the diverse ecosystems including wetlands, streams and forests.

NO ACTION REQUIRED
