Dear Ms. Butler:

You are hereby notified that it is our intent to revoke Virginia Department of Health Operation Permit Number 3175810 issued on September 18, 2003 covering the operation of the waterworks at Jan's Country Kitchen in Southampton County, Virginia. Revocation is in accordance with the provisions of *Code of Virginia* §32.1-174 and §12 VAC 5-590-320 of the *Waterworks Regulations*. VDH proposes to revoke the permit because this office has received information verifying that there are less than 15 connections and less than 25 people served by this waterworks.

If you agree to the revocation of this permit, please sign and date the statement at the bottom of this letter and return it to this office. If you object to the revocation you have the right to a hearing, and may send a written request to schedule a hearing to this Office no later than 30 calendar days from the date that you or your agent sign for this certified letter. If VDH does not hear from you within that time frame (or if this certified letter is returned to VDH for non-receipt), we will immediately revoke the permit and send you written confirmation of our action.

A copy of this letter is enclosed for your records.

If we can be of further assistance, please contact me at (757) 683-2000, ext 113.

Sincerely,

Renée S. Hall
