Mike Johnson
Chairman, Southampton County Board of Supervisors
Courtland, VA

Dear Mike Johnson:

I am the President of the Capron/Drewryville Athletic Association, an organization dedicated to improving the athletic opportunities for the youth in the Capron and Drewryville area.

We are currently in the process of investing time and money focused on improvements to the existing Drewryville ball field. Those improvements will include new fencing, new backstop, a new concessions building, and batting cages, among other improvement plans.

This facility is the current home to the following teams;

- Coed T-Ball and Coach Pitch Baseball
- Girls 10U, 13U, and 16U Fastpitch Softball

Our organization would like the opportunity to speak to the Board of Supervisors at the upcoming March meeting on the following issues.

1. Solicitation of funds to help with the field improvements
2. Discuss the fence around the existing Drewryville municipal water which adjoins the field and has a common fence.

Thank you very much in advance for your consideration on these important issues.

Sincerely,

Todd Schools
President
Capron/Drewryville Athletic Association
