

**7. CITIZEN REQUEST TO ADDRESS THE BOARD
BARBARA E. STORY**

Attached herewith please find correspondence from Ms. Barbara E. Story again requesting time at your meeting to discuss a myriad of issues, including:

- 1) Maintenance of State Route 684 (Monroe Road), including signage and the speed limit;
- 2) The poor quality of wireless telephone service in the Statesville area and the need for a wireless communications tower;
- 3) Taxes; and
- 4) Co-location of a manufactured home on the same lot as her residence.

I have informed Ms. Story on a number of occasions that item number four is a matter for the Board of Zoning Appeals, but she again insists on discussing it with the Board of Supervisors.

Her written request is consistent with Sec. 2-45 of the Southampton County Code and she has been advised that the matter has been placed on your agenda.
