

2. HIGHWAY MATTERS**A. NOTICE OF PUBLIC HEARING – SYIP FOR INTERSTATES & PRIMARIES**

Attached for your information please find a copy of the Commonwealth Transportation Board's Notice of Public Hearing for its 6-year improvement plan for interstates, primary roadways, rail and public transportation. The hearing is scheduled for Wednesday, June 2 at 6:00 p.m. at the Chesapeake Conference Center. With no major projects included in the plan, I do not plan on attending.

B. HIGHWAY CONCERNS

I've asked Mr. Randolph to function as our local highway liaison and communicate transportation and highway drainage issues with VDOT. Beginning this month, he'll assume Mr. Lomax's former role in noting your concerns and will follow up with a response the following month. Please plan to share any highway or drainage-related concerns with Mr. Randolph at Monday's meeting.
